Banksia Popcorn

how does this digital planner work?

Firstly, thank you so much for downloading this digital daily planner! I hope you enjoy using it as much as I enjoyed creating it. Feel free to leave a review, I'd love to hear your feedback!

1. download the planner on Bankia Popcorn
2. import the file into an app like Notability, or GoodNotes
3. you can now write on and edit this planner digitally on your chosen app
4. make sure you duplicate the daily planner page so you can use it over and over again
